

## **WBAL Girls Basketball (Seven Teams) All-League Voting Procedure**

- Each coach can nominate (put on the board) their team members who they believe have earned all league consideration. Depending on round robin league finish, each team will be able to nominate up to the following maximum for all league consideration. 1<sup>st</sup> place (6); 2<sup>nd</sup> place (5); 3<sup>rd</sup> place (4) 4<sup>th</sup> place (3); 5<sup>th</sup> place (2); 6<sup>th</sup> place (2); 7<sup>th</sup> place (2). If there is a tie in any placement, go to the highest maximum (as an example, if there is a tie for second both teams would have 4 nominations). Coaches have discretion to nominate fewer than the league allotment and are encouraged to do so if their players don't merit all league consideration.
  
- Each coach will discuss the merit of their respective nominations. If schools are not represented at the meeting, other league coaches can propose players from that missing school.
  
- It is **STRONGLY** suggested/encouraged that the league MVP come from the round robin championship team.
  
- A silent vote will take place and coaches will vote for thirteen nominated players. They will weight those votes as follows: 13-12-11-10-9-8-7-6-5-4-3-2-1. Coaches can vote for their own players.
  
- Player earning the most points will be league MVP...next six players receiving the most points will first team all league recipients...next six players receiving the most points will be second team all league.
  
- In case of a two way tie for the last spot on the 1<sup>st</sup> team all-league team, both players will receive 1<sup>st</sup> team recognition. If there is a three way tie for the last spot, there will be a silent vote off (1 vote for each player, coach can vote for his own player) to determine who is a first team selection. If this vote results in a two way tie, both players will receive 1<sup>st</sup> team recognition. If there is still a three way tie, another vote off will take place until there is a maximum of two players selected. The same process will take place to break ties for 2<sup>nd</sup> team all-league as well.
